22nd August to the 10th September 2019

The Gobi Desert, the mystical lands of Genghis Khan, vast open spaces on the edge of the world.

To the north is Russia and south is China, Mongolia boasts spectacular landscapes, rolling grassy tundra, vast deserts, rugged mountains, clear lakes, abundant wildlife and an ancient and exotic culture so different to our own.

Yes we are off again to another great destination… amazing Mongolia ….19 full on days of adventure where anything is possible.

Leaving Australia we fly to the capital of Mongolia Ulanbaatar, to begin our incredible journey.

Private vehicles and the best accommodation available, remarkable history and scenery to blow your mind, conjure up images of the terrifying rein of the Khan dynasty.

This is one of the world's last true frontiers, a mystical ancient land, famous for its hospitality, immersed in legend with unique landscapes seen nowhere else on planet earth.

Spend the night camping on the open plains in a quintessential Mongolian Ger, ride a two hump camel in the middle of the great Gobi desert and visit ancient monasteries along the Silk road.
